The History of Rio Concho Manor

As the original flagship of the Rio Concho Communities, Rio Concho Manor originated when a group of retired officers from Goodfellow Air Force Base approached city leaders, including Houston Harte and Colonel Robert Augustinus, regarding a need for low-cost housing for seniors.

The Rio Concho Trust was formed in 1960 with a mission to provide dignified, affordable senior housing.

Funding was sought from the US Department of Housing and Urban Development. Construction on the Manor high-rise commenced in 1964 and now provides two hundred twenty-two low-cost studio and one-bedroom apartments for senior citizens. Forty-seven of the apartments are subsidized through HUD allowing qualifying residents to receive rental assistance.
