LEASING

See page 10 for pricing.

The homes at Rio Concho Patio Homes are leased on a life-time lease agreement basis. The cost or “Entrance Cost” does not include the entrance fee, extras, or amenities you may add.

Payment in full is due at signing of closing statement. Because homes are paid for up front, the financial security to your community is further ensured. Financing is not available through Rio Concho, Inc., however, upon approval, it may be obtained from a financial institution.

THE LIFE-TIME RESIDENCY AGREEMENT

A Life-Time Residency Agreement is a contract between resident and Rio Concho, Inc., that may last a day or a life time depending upon the discretion of the resident. The Life-Time Residency Agreement enables the resident to enjoy the home without the everyday work or worry of home ownership. Rio Concho, Inc. as the property owner of Rio Concho Patio Homes, is responsible for the maintenance and upkeep of the property.

This Life-Time Residency Agreement used by Rio Concho, Inc., is a 90-10 agreement based on an annual depreciation of 2% a year for the first five years of occupancy. At the end of the fifth year of occupancy, the agreement stabilizes at 10% depreciation and allows for at least 90% of the original fee to be returned to the resident. This allows the homes to be more marketable in the future. If the entrance cost increases, the amount of the increase is divided between the resident and Rio Concho Patio Homes equally.
